

DESERT SUN INVESTMENTS LLC

dba AnaConnectsYou

Corporate Capability Statement

Strategic Relationships Consultancy & Principal Infrastructure Liaison

COMPANY OVERVIEW

Desert Sun Investments LLC (dba AnaConnectsYou), based in Palm Beach County, Southeast Florida, operates as an elite independent strategic relationship intermediary and project curator. We specialize in bridging the execution gap between institutional capital, technical infrastructure projects, private endowments, and localized fulfillment partners on a project-by-project basis.

Led by a principal with a Master's Degree in Education (M.Ed.) and extensive institutional experience, we apply design thinking and behavioral communication strategies to navigate complex multi-stakeholder environments and facilitate consensus for high-impact initiatives.

CORE COMPETENCIES

- **Technical-to-Capital Translation:** Simplifying complex technical concepts in AI, infrastructure, and environmental systems into clear, actionable narratives for decision-makers and funders.
- **Physical Proxy Representation:** Providing on-site presence and trusted facilitation for principals requiring localized relationship management and stakeholder alignment.
- **Grant Compliance & Milestone Management:** Supporting structured reporting, compliance tracking, and performance metrics for private grants and capital allocations.

KEY FOCUS AREAS (2026)

- **Advanced Technology & AI Infrastructure:** Facilitating stakeholder alignments for data center development, power allocation, and site-related requirements.
- **Climate Resiliency & Environmental Technologies:** Supporting alignments for water extraction, purification, and sustainable infrastructure projects.
- **Human Capital Development:** Frameworks for youth entrepreneurship, financial literacy, and mentorship programs.
- **Logistics & Mobility Solutions:** Coordination of secure executive transport and operational access networks.

COMPLIANCE & RISK MANAGEMENT

We maintain rigorous due diligence protocols through partnerships with professional intelligence and risk assessment networks. All activities are conducted strictly within intermediary and relationship facilitation boundaries. We do not engage in securities sales, capital management, or licensed financial advising services.

Operating Center: Palm Beach County, Florida | Global Deployment Capacity
